

## MSA-NG2

### Mini Stand Alone Inspection System

Designed for residential and small commercial locations, ease of transport and everyday use. This exceptionally lightweight inspection system delivers crisp imagery from 1½" to 3" lines.

- **Digital Recording** Record to internal memory or USB drive, or stream footage wirelessly.
- **Integrated components** Daylight-readable monitor, control panel and push rod in one package.
- **Digital footage counter**
- **Microphone** Add voice overlay to footage.

The durability of the MSA-NG2 Inspection System makes it an ideal plumber's camera.
