

DRAINTRACKER

Mini Camera

The DrainTracker mini camera has a super flexible mini push rod which moves easily in and around traps and tight bends in small drain lines. Use DrainTracker to quickly verify scale or grease blockages.

A color, daylight-readable monitor is integrated just above the controls and the whole unit weighs only 15 lbs!

- **Color, 3/4" dia. camera head** has adjustable LED lighting and clear imagery
- **Built-in 512Hz sonde**
- **Record high-definition footage and snapshots** to SD card (included)

Ideal for sinks and bathrooms, make DrainTracker your go-to camera for the smallest lines.
