

M661 Little Workhorse

Our M661 cable machine has a rugged yet lightweight frame that makes it one of the toughest machines on the market. It can move $\frac{5}{16}$ " to $\frac{1}{2}$ " cable and is suitable for $\frac{1}{2}$ " to 4" lines *(depending on cable used)*.

- **Fully equipped** Choose $\frac{3}{8}$ " or $\frac{1}{2}$ " hollow-core cable in a closed reel, threaded male ends will be installed.
- **Versatile** No matter what size cable you start with, our Quick Reel Change design lets you easily swap in a reel with different size or length later.
- **Accessories** like a transport cart or Mini Autofeed ease your workday.

We carry a wide selection of cable and attachments. The M661 is easily maintained and can be repaired in the field with genuine MyTana parts.

Shown with $\frac{1}{2}$ " cable reel

M661 At-a-glance

LINE SIZE $\frac{1}{2}$ " - 4"

(depending on cable)
